## CERTIFICATION FORM Schedule 3 Declaration or Report

Declaration and reporting requirements are set forth in Part 714 of the CWC Regulations (15 CFR 714).

A separate Certification Form is required for:

- (a) each Schedule 3 plant site that has declaration requirements;
- (b) each Schedule 3 plant site with reporting requirements;
- (c) each trading company with reporting requirements; and
- (d) each plant site that produced any quantity of a Schedule 3 chemical at any time since 1 January 1946, for chemical weapons purposes (declared plant site).

This form serves several purposes, including:

- (a) identifying a Declaration Point of Contact;
- (b) certifying the accuracy of the submitted declaration or report;
- (c) identifying the type of declaration or report submitted; and
- (d) listing the declaration or report forms submitted.

### Questions C.1 through C.5 Name of Declaration or Report Point of Contact (D/R-POC) and Other Requested Information:

Designate a D/R-POC. The D/R-POC should be a person whom the Department of Commerce may contact for: (1) the purposes of clarification of information provided in the declaration or report; and (2) for general information. The D/R-POC need not be the person who prepares the declaration or report forms or signs the Certification Form.

Question C.6 Certification: The Certification statement must be signed by the owner, the operator, or a senior management official who certifies the accuracy and completeness of the information submitted. The Certification signature block must contain an original signature.

Question C.7 Type of Declaration or Report: Check the appropriate box for the type of declaration or report being submitted (e.g., initial, past activities, anticipated or additionally planned activities, exports and imports, or amended) and indicate the year for which the information applies.

The INITIAL DECLARATION provides information on the production of a Schedule 3 chemical by a declared Schedule 3 plant site. A plant site is a declared Schedule 3 plant site (for purposes of the initial declaration) if one or more plants on the plant site individually produced a Schedule 3 chemical above 30 metric tons in calendar year 1996.

The INITIAL REPORT ON EXPORTS AND IMPORTS provides information on exports and imports of a Schedule 3 chemical from or to a plant site or trading company during calendar year 1996.

The ANNUAL DECLARATION ON PAST ACTIVITIES provides information on the production of a Schedule 3 chemical by a declared Schedule 3 plant site for the previous year. A plant site must submit an ANNUAL DECLARATION ON PAST ACTIVITIES if one or more plants on the plant site produced a Schedule 3 chemical above 30 metric tons during the previous calendar year.

The ANNUAL REPORT ON EXPORTS AND IMPORTS, submitted by plant sites or trading companies, provides information on exports and imports of a Schedule 3 chemicals above 30 metric tons.

The ANNUAL DECLARATION ON ANTICIPATED ACTIVITIES provides information on the production of a Schedule 3 chemical by a plant site that has at least one plant that anticipates producing the Schedule 3 chemical above 30 metric tons in the next calendar year.

The DECLARATION ON ADDITIONALLY PLANNED ACTIVITIES provides information on additional activities planned after submission of the ANNUAL DECLARATION ON ANTICIPATED ACTIVITIES. NOTE: This declaration is due 15 days before the additionally planned activities can begin.

Note that declarations on the production of Schedule 3 chemicals by declared plant sites will be transmitted to the OPCW and will also be used, where applicable, to compile the U.S. national aggregate declaration. Reports on Exports and Imports of Schedule 3 chemicals are not transmitted to the OPCW, but are used to compile the U.S. national aggregate declaration.

Question C.8 Forms Submitted: Check the appropriate box for each form that is included in the submission.

<h2 style="margin: 0;">CWC SCHEDULE 3 DECLARATION OR REPORT</h2>	PLANT SITE OR TRADING COMPANY NAME:  <hr/> U.S. PLANT SITE OR TRADING COMPANY CODE (once assigned):

## FORM 3-1 Schedule 3 Plant Site or Trading Company Identification

Declaration and reporting requirements are set forth in Part 714 of the CWC Regulations (15 CFR 714).

Submit this form for each declared Schedule 3 plant site, Schedule 3 plant site or trading company. Declared Schedule 3 plant sites must submit this form for each type of declaration (initial, past activities, anticipated or additionally planned activities, and amended) and complete questions 3-1.1 through 3-1.5. In addition, declared plant sites subject to routine inspection must complete question 3-1.6. Schedule 3 plant sites and trading companies must report exports and imports above 30 metric tons by completing only questions 3-1.1 through 3-1.3 for their initial and past activities reporting requirements. NOTE: See section 714.3(b) for reporting alternatives for declared plant sites.

Declared Schedule 3 plant sites which have produced a Schedule 3 chemical for chemical weapons (CW) purposes at any time since 1 January 1946, must complete questions 3-1.1 through 3-1.4 on this form.

Submit Form A to identify any additional information (e.g., site diagrams, maps, drawings, chemical structural formulas) you submit with your completed forms package.

All submitters should assign a unique name to the declared or undeclared plant site or trading company, and record the name in the appropriate box in the upper right-hand corner of Form 3-1. The Department of Commerce will provide each submitter with a unique code. This code, hereafter referred to as a "U.S. Plant Site or Trading Company Code," will be the

primary means of identifying a plant site or trading company after the first declaration or report is submitted and the Department of Commerce assigns a code. The submitter should use this code on all future declarations or reports.

Questions 3-1.1 through 3-1.4: Provide the name and telephone and fax numbers of the owner and the operator or the occupant or the agent in charge of the plant site or trading company. Provide the address of the plant site or the trading company. **DO NOT PROVIDE A POST OFFICE BOX.**

Provide latitude and longitude for the center of the plant site using the following formats (see Appendix B for guidelines on determining geographic coordinates):

Latitude:           00(degree)/00(minute)/00(second)/N  
Longitude:        000(degree)/00(minute)/00(second)/W

If the geographic coordinates are not for the center of the plant site, you must attach to Form A an explanation of the coordinates (e.g., front gate, Building No. 15). Also, use Form A to identify any additional information (e.g., maps, drawings) that you have attached to this declaration to locate this plant site with reference to the declared coordinates. (Check the box if you are submitting Form A with attachments.)

Question 3-1.5: Identify the number of declared Schedule 2 plants, if any, within this declared Schedule 3 Plant Site.

Question 3-1.6: Designate an Inspection Point of Contact (I-POC) and provide telephone and fax numbers so the U.S. Government may notify you of inspections of your plant site. You may also designate an Alternate I-POC. The U.S. Government must be able to contact the I-POCs on a 24 hour basis.

<b>CWC SCHEDULE 3 PLANT DECLARATION</b>	<b>PLANT NAME:</b>			
	PLANT CODE (once assigned):			
	PLANT SITE NAME OR U.S. PLANT SITE CODE (once assigned):			
<b>FORM 3-2 DECLARATION ON SCHEDULE 3 PLANT</b>				
<b>Submit this form for each declared Schedule 3 plant at the plant site. Use this form for all declarations (initial, past activities, anticipated or additionally planned activities, and amended).</b>				
<b>3-2.1</b>	Owner:			
	Telephone Number:		Fax Number:	
<b>3-2.2</b>	Operator:

<b>3-2.3</b>	Structure Name or Building Number:			
<b>3-2.4</b>	<b>Provide any additional information that will assist in identifying the location of this plant.</b>			
Check this box if you have attached to Form A any additional information on the plant site. <input type="checkbox"/>				
<b>3-2.5</b>	<b>Provide the Product Group Codes to describe products at this plant (see Supplement No. 2).</b>			

## FORM 3-2 Declaration of Schedule 3 Plant

Declaration and reporting requirements are set forth in Part 714 of the CWC Regulations (15 CFR 714).

Submit this form for each declared Schedule 3 plant at the plant site. Plants which have produced any amount of Schedule 3 chemical for chemical weapons (CW) purposes at any time since 1 January 1946, must also complete this form.

Note: Submitters that only have reporting requirements for exports or imports of a Schedule 3 chemical are not required to submit this form.

Submit Form A to identify any additional information (e.g., site diagrams, maps, drawings, chemical structural formulas) you submit with your completed forms package.

Submitters should assign a unique name to the plant and the plant site, and record the name in the appropriate boxes in the upper right-hand corner of Form 3-2. The Department of Commerce will provide each submitter with a unique code for each declared plant and plant site. These codes, "U.S. Plant Code" and "U.S. Plant Site Code," will be the primary means of identifying both a plant and a plant site after the first declaration is submitted and the Department of Commerce

assigns the codes. The submitter should use these codes on all future declarations for a particular plant or plant site.

Questions 3-2.1 & 3-2.2: Provide the name and telephone and fax numbers of the owner and the operator or the occupant or the agent in charge of the plant.

Questions 3-2.1 & 3-2.2: Provide the building name or structure number, if used to designate the plant.

Question 3-2.4: Provide any additional information that will assist in identifying the location of this plant on the plant site (e.g., latitude and longitude, street address, landmarks).

Use Form A to identify any additional information (e.g., site diagrams, maps, drawings) that you are attaching to this declaration to locate this plant with reference to the declared coordinates. (Check the box if you are submitting an attachment to Form A.)

Question 3-2.5: For the main activities at your plant, provide one or more product group code(s) (Standard International Trade Classification (SITC) code) that describe the type of ultimate products manufactured at the plant.

<b>CWC SCHEDULE 3 CHEMICAL DECLARATION OR REPORT</b>	PLANT SITE OR TRADING COMPANY NAME:
	U.S. PLANT SITE OR TRADING COMPANY CODE (once assigned):

**FORM 3-3 DECLARATION OR REPORT ON SCHEDULE 3 CHEMICAL**

If additional pages of Form 3-3 for exports and imports of this Schedule 3 chemical are attached, indicate the total number of pages as follows: page \_\_\_\_\_ of \_\_\_\_\_ (e.g., page x of y)

## FORM 3-3 Declaration or Report of Schedule 3 Chemical

Declaration and reporting requirements are set forth in Part 714 of the CWC Regulations (15 CFR 714).

You must submit a separate Form 3-3 for each Schedule 3 chemical and for all types of declarations and reports (initial, past activities, anticipated or additionally planned activities, exports and imports, and amended). NOTE: If you are submitting an ANNUAL DECLARATION ON ANTICIPATED OR ADDITIONALLY PLANNED ACTIVITIES, only complete question 3-3.2.

**Declared plant site:** If one or more plants on your plant site produced or is anticipated to produce more than 30 metric tons of a Schedule 3 chemical, your plant site is a declared plant site and you must complete questions 3-3.1 and 3-3.2. You may also complete questions 3-3.3 and/or 3-3.4 if you exported from or imported to your plant site more than 30 metric tons of the Schedule 3 chemical. (Note that the export or import 30 metric ton threshold is a plant site aggregate. The plant site must report exports and imports from or to all plants at the plant site exceeding 30 metric tons.)

NOTE: A plant site that is declared because of the production of one Schedule 3 chemical may also have reporting requirements for another Schedule 3 chemical that it did not produce, or produced under threshold, but that it exported or imported in quantities over 30 metric tons. In such a case, the plant site must submit a separate Form 3-3, but complete only questions 3-3.3 and/or 3-3.4 for that other Schedule 3 chemical.

**Undeclared plant site:** If no plant on your plant site produced more than 30 metric tons of any Schedule 3 chemical, but your plant site exported or imported more than 30 metric tons of a Schedule 3 chemical, you must submit Form 3-3, but only complete questions 3-3.3 and/or 3-3.4. (Remember that the export or import amount is an aggregate of exports from or imports to all plants on your plant site.)

**Trading company:** A trading company that exported or imported over 30 metric tons of a Schedule 3 chemical must submit Form 3-3, but only complete questions 3-3.3 and/or 3-3.4.

Enter in the upper right-hand corner of this form the name of the plant site or trading company or the U.S. Plant Site or Trading Company Code (once assigned) that was listed on the corresponding Form 3-1 (Schedule 3 Plant Site or Trading Company Identification). Submitters should use this code on all declarations for a particular plant site.

For each Schedule 3 chemical being declared, provide the CAS Registry Number, if assigned, Chemical Name, and Common or Trade Name.

**Question 3-3.1:** For the INITIAL DECLARATION you must provide the production quantity range for each Schedule 3 chemical produced at the plant site in calendar year 1996, and specify the purposes of production of the chemical by checking all of the appropriate categories. For the ANNUAL DECLARATION ON PAST ACTIVITIES, you must provide the production quantity range for each Schedule 3 chemical produced at the plant site in the previous calendar year and specify the purposes of production of the chemical by checking all of the appropriate categories. To calculate the production range of a Schedule 3 chemical on your plant site, take the following steps:

1) Add the production amounts from all plants that individually produced more than 30 metric tons of the Schedule 3 chemical declared on this form. (Note: Do not count the production of this chemical from plants that individually did not exceed the production threshold of 30 metric tons.)

2) Determine the production range in question 3-3.1 and check the appropriate box to identify the range of production for the Schedule 3 chemical.

**Question 3-3.2:** For the ANNUAL DECLARATION ON ANTICIPATED ACTIVITIES, you must provide the production quantity range for each Schedule 3 chemical you anticipate will be produced at the plant site in the next calendar year and specify the anticipated purposes of production of the chemical by checking all of the appropriate categories. To calculate the production range for your plant site refer to the steps listed in Question 3-3.1, above.

After THE ANNUAL DECLARATION ON ANTICIPATED ACTIVITIES has been submitted, you must submit a DECLARATION ON ADDITIONALLY PLANNED ACTIVITIES if you plan that: a previously undeclared plant on your plant site will produce a Schedule 3 chemical above 30 metric tons; a declared plant will produce an additional Schedule 3 chemical above 30 metric tons; an increase to the production range of a Schedule 3 chemical by declared plants on your plant site will exceed the applicable inspection threshold; or an increase in the aggregate production of a Schedule 3 chemical at a declared plant site to an amount above the upper limit of the range previously declared.

**Questions 3-3.3 and 3-3.4:** For the INITIAL DECLARATION and INITIAL REPORT OF EXPORTS AND IMPORTS (calendar year 1996), and for the ANNUAL DECLARATION ON PAST ACTIVITIES and ANNUAL REPORT OF EXPORTS AND IMPORTS (previous calendar year), complete questions 3-3.3 and/or 3-3.4, as appropriate.

To calculate the export and import amounts for your plant site or trading company and the source and recipient destinations, take the following steps:

1) Add all exports from your plant site or trading company. Plant sites must total exports from all plants on the plant site to obtain the plant site export aggregate. Add all imports to your plant site or trading company. Plant sites must total all imports to all plants on the plant site to obtain the plant site import aggregate.

2) Determine the total exports to each recipient destination. Determine the total imports from each source destination. (Use Appendix C to identify the Destination Code.)

**NOTE:** Only indicate the total annual quantity exported to or imported from a specific destination if the total annual quantity to or from that destination is more than 1% of the applicable threshold amount (i.e., more than 0.3 metric tons). However, in determining whether your total exports and imports worldwide for the year in question trigger reporting requirements, you must include all exports and imports, including exports and imports falling within the 1% exemption in your calculation.

3) Indicate in questions 3-3.3 and/or 3-3.4, as appropriate, the number of metric tons of the Schedule 3 chemical exported to each recipient destination or imported from each source destination.

If there is insufficient space to record all of your export or import trade transactions, use additional copies of Form 3-3. Indicate the page number of each additional page and total number of pages of Form 3-3 for this chemical.

<b>CWC SCHEDULE 3 DECLARATION OR REPORT</b>			PLANT SITE NAME:		
			U.S. PLANT SITE CODE: (once assigned):		
<b>FORM 3-4 DECLARATION ON SCHEDULE 3 CHEMICAL PRODUCED AT ANY TIME SINCE 1 JANUARY 1946 FOR CHEMICAL WEAPONS (CW) PURPOSES</b>					
Submit this form for each Schedule 3 chemical produced at any time since 1 January 1946 for Chemical Weapons (CW) purposes.					
CAS REGISTRY NO.:		CHEMICAL NAME:		COMMON OR TRADENAME:	
<b>Provide the following information for each period of production of this Schedule 3 Chemical.</b>					
<b>3-4.1</b>	a. Starting Date (YYYY-MM-DD):				
	b. Ending Date (YYYY-MM-DD):				
	c. Quantity produced (between starting & ending dates): _____ Metric tons

	Final Product:				

If additional page of Form3-4 for this Schedule 3 chemical are attached, indicate the total number of pages as follows:  
page \_\_\_\_ of \_\_\_\_ (e.g., page x of y)

**FORM 3-4 Declaration of Schedule 3 Chemical Produced at any time since 1 January 1946  
For Chemical Weapons (CW) Purposes**

Declaration and reporting requirements are set forth in Part 714 of the CWC Regulations (15 CFR 714).

Submit this form for each Schedule 3 chemical produced at your plant site for chemical weapons (CW) purposes at any time since 1 January 1946. To complete this declaration, you should also submit a Certification Form, Form 3-1, and a separate Form 3-2 for each plant on your plant site that produced Schedule 3 chemicals for CW purposes. There is no threshold quantity for this declaration.

In the upper right hand corner of this form, enter the Plant Site Name and U.S. Plant Site Code (once assigned) that you entered on Form 3-1 (Declaration of Schedule 3 Plant Site or Trading Company Identification).

For each Schedule 3 chemical being declared, provide the CAS Registry Number, if assigned, Chemical Name, and Common or Trade Name.

Question 3-4.1: Provide the starting and ending dates for each of the production periods of this Schedule 3 chemical used for CW purposes at any time since 1 January 1946. Note: For production periods, indicate year and month (i.e. YYYY-MM). For each production period, provide the production quantity of the Schedule 3 chemical in metric tons to the nearest tenth of a metric ton (e.g., 0.x metric tons).

Questions 3-4.2: If this Schedule 3 chemical was shipped to another location, either domestic or foreign, provide the name and address, if known, of that location or destination.

Provide the appropriate Destination Code indicated in Supplement No. 3 for all destinations, including the U.S.

Provide the name of the final CW product, if known. If the final product is a chemical on the Schedules of Chemicals (Appendix A), please give its name. If the final product is not a chemical on the list of Scheduled Chemicals, identify that final product by giving its common name, trade name, or other identification as appropriate.

If there is insufficient space to identify the production periods or the destination or final product for each Schedule 3 chemical produced for CW purposes, use additional copies of Form 3-4. Indicate the page number of each additional page and the total number of pages of Form 3-4 using the format "page x of y" (as described at the bottom of Form 3-4).

## FORM A Attachments for Schedule 3 Plant Site or Trading Company

Declaration and reporting requirements are set forth in Part 714 of the CWC Regulations (15 CFR 714).

Submit this form to list any attachments containing additional information (e.g., site diagrams, maps, drawings, chemical structural formula).

**PLANT SITE OR TRADING COMPANY NAME:** Enter the name of the plant site or trading company, and if assigned, enter its U.S. Plant Site or Trading Company Code.

**PLANT NAME:** If providing information on a plant, enter in column 1 the name of the plant, and once assigned, enter its U.S. Plant Code.

**FORM NUMBER:** In column 2, enter the form number to which this additional information refers.

**IDENTIFY ATTACHMENT:** In column 3, provide a description of the attachment and assign a unique name to it (e.g., site map). For structural formulas, provide the CAS Registry Number, if assigned, chemical name and/or common trade name.

Insert all attachments in an envelope and staple the envelope to Form A.
